SEVENTH-DAY ADVENTIST
Rufus B. McDaniel Pastor
Sabbath School Lesson 3 January 14 - 20 Subject: The Divine Media - Scripture Text: "God, who at sundry times and divers manners spoke unto the fathers by the prophets hath in these last days spoken unto us by his Son." Hebrews 1 - 1,2.
Sin interposes an almost impenetrable barrier to effective communication between God and man. Just as powerful radio transmitters may be jammed by unfriendly signals, so sin jams the divine messages. Yet God has chosen to speak to certain men and relay His communication to us through them. We are continually surprised throughout the Bible, by the determination and patience of God in seeking to communicate His message of love. Many of us are familiar with the methods God used to communicate His messages to His prophets in past days. But this is only part of the picture of divine communication. God communicates with us directly through the Bible. Nature and the Holy Spirit. God will speak to us through them if we will let Him. Medium: "A person through whom a purpose is accomplished; go-between, agent, intermediary". Webster's Third New International Dictionary Communication "Interchange of thoughts or opinions; a process by which meanings are exchanged between individuals through a common system of symbols." Webster's Third New International Dictionary.

Reels In 125 Pound Sailfish

William E. "Bill" Jamerson is shown above with the 125 pound Sailfish he caught last week while on a trip to Acapulco, Mexico.
You can't call this a "fish tale" as Bill has the certificate and picture to prove his catch. The certificate issued by the Acapulco Marine Taxidermy reads as follows: "Certifies that William E. Jamerson caught a Sailfish aboard the Los Angeles Acapulco fleet out from Acapulco on January 17, 1973. The Sailfish weighed 125 pounds and measured 9 feet long."

Modernistic Club News Bulletin

The monthly meeting of the Modernistic Club was held at Parkway Restaurant, Friday, Jan. 19th at 6:00 p.m. Miss H. B. Stevens was hostess, with a full chorum attending. Dinner was served to members first, after which president Hamlet called the meeting to order. The regular form of business was held. The meeting was quite informative. Minutes were read and reports from the December party were given. All members were pleased with the manner in which the Christmas party turned out, since, it had been quite some time since the club gave an entertainment of any kind.
Immediately following the business meeting, the president turned the remaining of the time over to the hostess, who had the members to play the club game "Bingo".
The game was interesting as usual. Those winning prizes were Mesdames, Geneviene Holmes, first prize, second prize, Celestrial Turner and third place, T. W. Hamlet. The prizes were beautiful as well as useful. After the game was over the club members all went to their homes, looking forward to the next meeting, which will be held the third Friday in February, at the home of Mrs. C.S. Turner at 6:00 p.m.
In and out of town over the weekend: Mr. and Mrs. Beamon visited Mr. Beamon's mother, who has been on the sick list. We trust the sick is better at this writing.
Miss H. B. Stevens attended the meeting of the Delta Sigma Theta Sorority Sunday at the Americana Restaurant at 5:00 p.m. in Lynchburg, Va. Miss Stevens served as one of the hostesses, along with Sorors Womack, Madison and Obey. A large number turned out, to "A Time to Remember Founders Day Celebration", January 21, 1973.
